FINANCE BILL

epoblican Minority of the Carrency Com-lettre Reports—They Make Sectors Ob-jections to Secretary Carlisis's Measuce. Washington, Dec. 17.—The report of he republican members of the banking and currency committee on the Caritisle lanking bill begins with the atatement that the signers "most heartly and enthusiastically join with

the ilemocratic majority of the com-mittee in repudinting the measure." The report states that the whole action of the party majority of the rom-mlitre was most extraordinary and not by a strict party vote decided to report at once to the house Secretary Carlisie's currenty bill. This arrangenient was agreed upon Friday, and ninient was agreed upon Friday, and nion one occasion, and an opportunity to consider or amond it was refused both

The report continues that it is the opinion of a number of the most clearlingly hard to push the bill as reported.

Aiready a large number of the incincountry that if the Carlisle bill is enneted into a low it will within twen-ty days precipitate a panic far more senud beyond doubt a namber of them will be tacked onto the bill, and thus block its massage. Among the amend-nrarly \$200,000,600 worth of United

the Cariisle bili from the minority standpoint are accounted for by the probable haste with which the bill was drawn, luasmach as Secretary Carlisle informed the committee that he had

informed the committee that he had dictated it hastily to his stenographer.

"Whatever legislation is had with reference to the finances of the country or hanking, in its effects upon national banks, abould be permissive and not mandatory as to national banks while their present charters continue. To provide as in Section 7, can not be justified apon any principle of safe legislation. As has been before stated, it could not fall to produce a panic, and the recklessness of such legislation would startle not only the financiera in this country, just of the world." his country, but of the world.

In the opinion of the minority the provisions of exemptions as to state lanks would drive every existing un-tional bank, that draired to take out circulating natus, into the state bank system if the bill were enacted. The tasation of aatlonal banks would mount to \$5,000,000 annually nader he present bill, which there is no reason to believe would be imposed upon "Furthermore, the states, even the

narryative among them, would be far more beral than the United States as regards oads, or any other security or redemption unds, for they may require the deposit of no The minosity can not believe it was

Carlisle bill to discriminate in favor of state banks or to force the national banks to operate under state charters. The report directs attention to the fact that all the witnesses who appeared before the committee objected seriously to the bill, and those who did not repullisted many of its sections upon cross-esamination.

some political exigency of which we do not know, but we do know that its passage will agaravate rather than relieve the perpicalties of the final situation, and especially that of the United States treasury.

"The United States legal tender notes with

"The United States legal tender notes with-drawn from rireulation, did all esisting na-tional banks take out all the circulation per-mitted under the bill, would only be \$151,000,-000, attil leaving \$350,000 to res the treasury. "This would not afford any substantial relief to the constant drain of gold from the treasury, and the constant drain of gold from the treasury, and thus more argent, the demand for gold apon the treasury, and the notes issued ander the bilt would make confusion worse confounded in the currency by adding from one to forty-five more kinds of money to those already \$x-isting.

"Twice within a short time has the house do "Twice within a short time has the house de-clared its unafterable opposition to allowing state banks to Issue currency notes, once on June 6, 1895, by a vote of 91 for, to 118 against it, and again under the leadership against state banks of the gallant and versatile gentieman from Hillord, 110n. Wm. M. Springer, on June 6, 1891, by a vote to repeal the 10 per cent. tax, of 102 for to 172 against it. Therefore we pro-test against consuming the time of the house in a profitiess discussion of that objectionship section of the Unriske bill.
"Finally we are at the ordinon that it is not

section of the Carlisle bil.

"Finally, we are of the opinion that it is not safe for the house to enter upon the time of terislation proposed until some bill is brought before it that has received far more attention than the Carlisle bill, and we recommend that it to indendity postpoord."

WASHINGTON, Dec. 18.—Commissioner Miller has amended treasury department ruling as to assessments on spir lts for deficirneles and excesses. It de elded that assessments for defirlenclea and excesses for the month of August, 1894, and subsequent mouths, will be made at the rate of one dollar and ter cents for rach proof gallon, and that those for months previous to August, 149t, will be made at the rate of ninety

COLUMNUS, O., Dec. 18.-Gov. McKlnley Monday issued a pardon to Allen McGhee, who was sentenced early thia year to serve a four years' sentence for manslanghter from Scioto county. Me-Ghee Is an absolute Imbeelle, wholly ir responsible, who did not really know on the highest authority to state that house in the town of Waupun last where he was. The man whom he was charged with killing, repeatedly said before his death that another perso committed the crime, and it is a rer great wonder that the Scioto county authorities could, under the circu stances, find him guilty. The matter of fees figured to some extent.

> Aechicotally Drowned in a Bathinb. FIFTY-THIRD CONGRESS.

Washington, Dec. 12—Semale—The president Tuesday sent to the senate, in response to the lloar resolution, the Armeolan force-pondence, robinisting of a leiter from the servetary of state and n copy of a telegram to Minister Terreil, at Constantinopie. A large number of the president's appointments were confirmed. Mr. Morrill (rep., Vi.) addressed the senate on the financial situation. Mr. Higgins presented a resolution calling on the president and secretary of state for correspondence on the subject of mediation on the part of the United States between China and Japan. It was laid over until Wednessiny, at the suggestion of Mr. Morgan (dem., Ala.).

ROUZE—The house, by a vote of 165 years to

pian.

Was insoron, Dec. 13.—SERATS—Sensit Gray made a motion Wrdnesday to take aptibili reported from the finance committee at that seesion, providing for a duty of 40 per certifat on all sugars, thus cutting of 1 the differential. This was beaten by a vote of 23 to 27. A other motion was defeated. It was Vest's, take up his rioture resolution introduced the first day of the session. By a strained rostruction of the rules Senator Faulkner, with was in the rhait, allowed a vote to be taken the question of superseding the Nicarage canal bill by this resolution but the motivas defeated be a vote of 21 to 34.

Hotse—liv a vote of 137 to 54, taken by tele

was defeated be a voir of 2t to 3t.

HOUSE—Hy a vote of 17 to 5t, taken by tellers, the house of representatives Wednesday retused to strike out of the urgent deficiency bill the Item of \$25.005 to enforce the collection of the theome taa provided for in the tarif law passed last session. The exercises in concection with the erection of statutes of Gen. John Stark and Daniel Webster, by the state of New Hampshire, were made the special order for two o'clock, December 20, and the second Salarday in February, 1805, was set apart for the delivery of culogies upon the late Myron II. Wright, representative from the Fifteenth district of l'ennayivania.

WASSISOTON, Dec. 14.—SENATE—The bill to

views, and the bill went over.

HOUSE—Aside from about an hour deveted to an animated discussion of the policy of the pension burean under the present administration, there was little done out of the routine work. The bills appropriating \$2,00d, 500 to meet urgrat deficiencies for the current fixes I year, \$1,870.67 for fortifications and coast defenses for the year rading Jano 20, 1994, and \$475.676 for the expenditures at the West Point Military academy in the same year were passed as thry came from the esimilities. Mr. Cockran (dem. N. Y.) moved to recommit the urgracy deficiency hill, with instructions to atrike out the appropriation for collecting the income tas. The motion was lost; yeas, 40; maya, 108 The hill was then passed.

WASHINGTON, Dec. 15 -- SESATS -- Not in ses-

payment of \$455,000 to Great liritain, growing out of the controversy over the Alaskan fur seals, was adopted Friday. The time of the house was rensumed Friday with debate on the pension appropriation biti, and abounded in rhsrges and rounter charges. The bill rarries \$141.381.570 and was passed without nmendment. The evening seasion was devoted to the consideration of private pension hills, and the heuse adjourned over to Menday.

Washington, Dec. if -Senats - Norr thin three hours of Monday's session of the senate were occupied in the discussion of the Nicawere occapied in the disension of the Nica-raguan canai bill, and three assactors made apseches. Mr. I'effer, of Kansas, favored the measure ander certain readitions, but was op-posed to issuing bonds, payable in gold, to raise the money required. Mr. Squire, of Washington, declared unequivocally it tavor of the construction of the canal, while Mr. Turple (dem., Ind.), though approving a canal, expressed his decladed opposition to the pend-ing bill. t'ending the conclusion of Mr. Tur-ple's remarks the seanle at 4:55 m. wrn. into

pie's remarks the senate at 4:55 p. m. wrat intexecutive session, and at 5:07 p. m. adjourned. DEEX TRANSPORT OF THE PROPERTY number of eaptains in the subsistence by four, and transferred the Ft. Leavraworth military prison to the drpartment of justier. The hill was passed without amendments.

San Francisco Wants a Lesow. SAN FRANCISCO, Dec. 18 .- The elergymen of this elty are arranging for the organization of a movement in thia elty similar to the Lexow plan for the Improvement of municipal morals. Rev. J. Cammings Smith, pastor of the Trinity Presbyterian rhurch, who has tions with Dr. Parkharst, took the initiatire. A nnlon movement has been inaugurated by the local organizations of Presbyterian, Methodist and Eaptist ministers to take concerted action. If the California legislature does not appoint an official purification com the ministers will conduct the investi-

citizens generally. Cholera and Tellow Jack.

New York, Dec. 18.- A special to a morning paper from Itaenos Ayres says: Advices received here by the Itrazilian minister to Argentina tell of ten deaths from cholern in a single day in the state of Rio Janriro and say that yellow fever is increasing in the capital.
